## PUBLICATION OPPORTUNITIES

The aim of the conference is to publish a set of high-quality research papers in the IEEE Xplore digital library after the conference. All accepted papers will be submitted to IEEE Xplore for publication and indexing after rigorous reviewing.

IEEE reserves the right to exclude a paper from publication after the conference (e.g., removal from IEEE Xplore) in two cases:

- if the paper is not presented at the conference, or
- if the quality and findings of the paper are not well explored and convincing. This will be checked by IEEE which applies to all accepted paper.

Any accepted paper that will not be presented at the conference will be withdrawn from the conference proceeding, and will not be submitted to the IEEE Xplore Digital Library.

## SUBMISSION GUIDE

All accepted papers must not be previously published, and not considered elsewhere for publication. The submission is electronic and only a DOC format will be considered. The paper should be designed according to IEEE format and should not exceed 6 pages.
